Ninety-eight Per Cent.

There is a fascination about big profits to a business man. But the conservative and cautious trader prefers to have the lesser per cent of interest and the larger per cent of safety in his investments. There is no business man who would not consider it a sound proposition to invest in an enterprise in which absolute loss was impossible and which offered ninety-eight chances in a hundred of a rich profit. The statistics of cures effected by Dr. Pierce's Golden Medical Discovery show that ninety-eight per cent of cases of "weak lungs" can be absolutely cured. Almost if not all forms of physical weakness may be traced to starvation. Starvation saps the strength. The body is just as much starved when the stomach cannot extract nutrition from the food it receives as when there is no food. "Weak lungs," bronchial affections, obstinate coughs, call for nourishment. "Golden Medical Discovery" supplies that nourishment in its most condensed and assimilable form. It makes "weak lungs" strong, by strengthening the stomach and organs of digestion which digest and distribute the food, and by increasing the supply of pure food.

James Clyde Wallace.

The lecture and tests given by Mr. Wallace in the Hetrick theater last Friday night, drew a very large crowd and was highly entertaining. The way Mr. Wallace calls the names of strangers and gives important events in their lives is surely mystifying.

He surely possesses some kind of a power not possessed by the ordinary man. Just what the power is no one seems to know. Mr. Wallace claims to be a spiritualist but does not claim that the information he gives of absent ones is communicated from the spirit land. Some may claim that he accomplishes these results by collusion but such a thing is not probable if possible.

He has succeeded in awakening quite an interest in Chanute and is giving about as many private readings as he can look after.

The Biggest Yet.

The opening of the Hub Clothing Store last Friday night was a great attraction. It seems that everybody was there with their cousins and their aunts.

No one seemed disappointed with the display. The store was handsomely decorated and a line of gents furnishings and clothing on display. Souvenirs and mementos were presented to the guests and delightful music furnished by Mrs. Miller's orchestra.

ONE LADY'S RECOMMENDATION sold fifty boxes of Chamberlain's stomach and liver tablets.

"I have, I believe, sold fifty boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these Tablets."—P. M. Shore, Drug gist, Rochester, Ind. The pleasant purgative effect of these Tablets makes them a favorite with ladies everywhere. For sale by all druggists.

BEAUTY AND STRENGTH.

Are desirable. You are strong and vigorous, when your blood is pure. Many—nay, most—women, fail to properly digest their food, and so become pale, sallow, thin and weak. While the brightness, freshness and beauty of the skin and complexion, depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Herbine after each meal, to digest what you have eaten. 50c at G. P. Wilder.

HERBINE CURES.

Fever and Ague. A dose will usually stop a chill, a continuance always cures. Mrs. Wm. M. Stroud, Midlothian, Texas writes: "We have used Herbine in our family for eight years, and found it the best medicine we have ever used, for la grippe, bilious fever and malaria." 50c at G. P. Wilder.

Easter Supper.

Earlton Post 206 G. A. R. will hold their annual egg supper, in their hall Saturday night April 2nd. Everybody invited.

C. E. ALEXANDER, P. O. J. N. CARTER, Adj.

Rev. Carlyle P. B. Martin, L. L. D. Of Waverly, Tex., writes: "Of a morning when first arising I often find troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat and lung trouble." 25c, 50 and \$1. Sold by G. P. Wilder

Japan and Her Ruler.

When in 1869 the young mikado, the present emperor of Japan, stepped out from his palace at Kyoto to make a royal journey to the present capital, Tokio, it was the first time that the Japanese people had seen their sovereign since five hundred years before Julius Caesar was born. In 1872 he traveled from Yokohama to Tokio by rail, and when the train moved off with the young emperor there rang out a melody which thrilled all hearts. It was the national anthem of Japan, whose music was first heard when savage tribes were battling on the Thames and on the Nile and when Rome was mistress of the world.

The mikado, who as a boy knew almost nothing of the existence of Europe, reads fluently at the age of fifty four the literatures of England, France and Germany.—From "New Stars Rise Above the Pacific," by Peter MacQueen, in National Magazine for April.

WALKS WITHOUT CRUTCHES.

I was much afflicted with sciatica, writes Ed. C. Nud, Iowayville, Sedgewick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons, all expressed themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1 at G. P. Wilder.

A CHATTANOOGA DRUGGIST'S STATEMENT.

Robt. J. Miller, Proprietor of the Read House Drug Store of Chattanooga, Tenn., writes: "There is more merit in Foley's Honey and Tar than in any other cough syrup. The calls for it multiply wonderfully and we sell more of it than all other cough syrups combined." The Brown Pharmacy.

PNEUMONIA IS ROBBED OF ITS TERRORS.
